

An invitation to become involved with the Timperley Country Fair 2022

We would like to invite you to take part in this year's Timperley Country Fair. It is taking place on **Saturday 10th September** between 10am and 5.00pm.

PLEASE NOTE: Everything is subject to rules/regulations regarding Covid-19 and any Government/local Authority guidelines that are issued. It is possible that we may not be able to go ahead, but we do not know at this stage.

We hope that you will be able to come and join thousands of people in another fun and profitable day with plenty of field attractions plus musical groups and the ever-popular marquee.

To Reserve a place please complete the booking form on the reverse of this invitation and return with a cheque to us as soon as possible - the fee for a charity stall is £35 and for a business is £55

We are only able to accept bookings from a maximum of 55 stalls and wish to retain a majority charity focus, so we have a maximum of 25 business stalls (unless we have spare stalls become available) We confidently expect to be fully booked in 2022 so early booking is essential.

General stallholder rules

Space - Stallholders must confine **their stall frontage to no more than 5 meters** and must provide their own table/s, chair/s, gazebo, etc. We recommend you have a shelter as good weather cannot be relied upon and the fair will not be cancelled due to the weather.

Setting up - Access to the field will be from 8am where unloading will be allowed, **no vehicle access to the field will be allowed after 9:30am**. All vehicles must then be moved off the field and will not be allowed back on until the fair finishes around 5.00pm

Food Sales - If you intend on serving food, you must adhere to the Local Authority Food Hygiene Regulations, including the covering of food.

No Parking on-site allowed - No Parking will be allowed in front of the Larkhill centre after 9:30am - this is for use of emergency vehicles only. Failure to observe this will lead to no invitation to next years fair.

Prohibited Items & Activities

You may not promote religious or political information or ideologies.

You may not provide, sell or offer as prizes any alcoholic drinks, aerosol-powered 'silly string' or live animals (including fish). Failure to adhere to this rule will result in the immediate closure of your stall and a ban from future events.

Your stall must have public liability insurance to the sum of £5 Million; this is required by the local authority. We will require a copy of your public liability insurance.

By booking a stall you agree to these rules

Please be kind enough to respond to this information - it would help to have an initial email or telephone response to know whether you are likely to participate
